

SCHOOL BASED TRAINEESHIP PROGRAM FOR NEW & EMERGING COMMUNITIES

WORK PLACEMENT WITH VICTORIA POLICE

The School Based Traineeship Pilot Program for New and Emerging Communities is designed for students completing years 10, 11 or 12 who are interested in a career with Victoria Police. Victoria Police, Skillinvest and Jobs Victoria have jointly created this program aiming to provide useful work experience and insight into a policing career.

WHAT IS OFFERED?

The Program will be offered to students over 24 months to students completing year 10 & 11 and over a 12 month period for student completing year 12. Students will work and get paid one day per week at a local Police station in administration, while working towards a Certificate III in Business. This will be awarded by Skillinvest on the successful completion of their traineeship.

WHERE IS THE TRAINEESHIP OFFERED?

As this program is a pilot, it will only be available in North West and Southern Metro Melbourne. Please contact us to see if there are suitable police stations in your local area that are participating.

HOW DOES THE TRAINEESHIP WORK?

Skillinvest will coordinate the traineeship between the secondary school and Victoria Police from start to finish. As the legal employer, Skillinvest will pay the wages and ensure the wellbeing of the trainees through regular contact and support.

WHEN CAN I APPLY?

Year 10, 11 or 12 students from the New & Emerging Communities who live in the North West and Southern Metro Melbourne are eligible to apply. Applications must be received by 31 January each year to confirm placement. Applicants must be willing to abide by Victoria Police's Code of Conduct and agree to undertake a police check.

"I feel proud working in Victoria Police because I know they support diversity and inclusion".
– Constable Kur Thiek
